Works Safety Notice

UK Power Networks will be on site on Wednesday 10 to Friday 12 January for cabling works on the footpath from the Visitor Car Park leading up to the school. This will close the footpath whilst they work and pedestrians will be diverted onto a section of the driveway.

We ask students and visitors to take due care and pay attention when arriving or leaving school. Additional caretaker and school staffing will be on duty at peak times.

Data Collection Sheets

Students have been issued with a data collection sheet; it is essential we have the most up-to-date contact information. All forms need to be completed with student details checked, signed and returned by Friday 19 January.

Breakfast Club

The school operates a Breakfast Club in the Dining Hall for students who arrive between 08.00 – 08.30. Students arriving between these times are encouraged to purchase breakfast items at reasonable prices. Breakfast is an important meal in order to feed the brain ready for learning.

Yr 8 will be having their injections throughout Tuesday morning.

Yr 9 KS4 Curriculum Evening Thursday 11 January 18.00 – 20.00

We are holding a Key Stage 4 Curriculum Information Evening to provide parents with information about the curriculum to be studied during Yrs 10 and 11. The evening will start at 18.00, with refreshments available. There will be a short presentation at 19.00 – 19.30 and an opportunity to talk to Heads of Subject about the course being offered in their subjects before and after the presentation until 20.00. During the presentation the students will be supervised in the Dining Room Extension and should bring a reading book with them.

Royal Institution Christmas Lectures – The Language of Life

The lectures are now available to watch on BBC iPlayer and on the Ri Channel during January 2018.

We have the opportunity to talk to the leading professor and other scientists in an online debate in January: any student who would like to be involved in the live chat and privacy debate about mobile phone microphones, should see/email Miss Murison or Miss Morgan to register their interest. They will be given a personal login and account so that they can take part in a live chat with Professor Sophie and others and ask any questions! **Live chat scheduled for Thursday 25 January at 12.40.**
