Advice for using these flashcards:

- Study one side at a time, ensuring you can recall the information on the back without checking.
- Group related cards together to understand broader themes, such as foreign policy, religious changes, or economic challenges.
- Use the flashcards to test yourself or have a study partner quiz you.
- Try to connect the facts on the cards to wider historical context or themes covered in your lessons.
- Revisit the cards regularly to reinforce your memory, particularly before exams.
