Back

**What is the impact of secularism on attitudes towards premarital sex?**

**Secularism has led to greater tolerance of premarital sex, often focusing on individual autonomy and personal fulfilment.**

**What role does love play in Situation Ethics in relation to homosexuality?**

**Situation Ethics prioritises love as the guiding principle, accepting homosexuality if it is the most loving action in a given situation.**

**What is the utilitarian perspective on extramarital sex?**

**Utilitarianism evaluates extramarital sex by considering the consequences, weighing the happiness and harm it causes.**

**How has the Church of England's position on homosexuality evolved?**

**The Church of England has shifted towards a more inclusive stance, though debates about full acceptance remain.**

Front

Back

**What does Kantian Ethics say about extramarital sex?**

**Kantian Ethics views extramarital sex as inherently wrong, violating the duty of fidelity and respect in marriage.**

**What is the significance of procreation in traditional religious beliefs about sex?**

**Procreation is often seen as a central purpose of sex, shaping views on premarital and homosexual relationships.**

**How does secularism challenge traditional views on extramarital sex?**

**Secularism often challenges traditional views by emphasising personal choice and questioning the authority of religious norms.**

**What is the role of equality in evaluating homosexuality in modern ethics?**

**Modern ethics often emphasises equality, advocating for the acceptance and rights of homosexual individuals.**
