Safeguarding at CCHSG

CCHSG believes in supporting all aspects of children and young people's development and learning, including keeping children safe. We understand that children and young people can and do experience social, personal and emotional barriers to their learning, over differing periods of time and at different stages of their development, which can have an effect on their academic learning. We recognise that education staff play a crucial role in helping to identify welfare concerns and indicators of possible abuse or neglect at an early stage.

Safeguarding depends on staff being made aware of issues by students. Form Tutors have the role of "First Responders" and work closely with the Pastoral Team to help identify issues and support students. Students are aware of the Pastoral Team and Safeguarding Team with posters around the school to help them identify those members of staff and how to contact them.

The student planner also provides advice and gives details of support organisations and useful contacts; The Student Voice Teamwork with the Safeguarding Team to help ensure the content and advice is appropriate and updated annually.

We understand that some students may find reporting difficult, especially communicating worries and concerns to members of staff for a variety of reasons and as such CCHSG have introduced an anonymous online reporting system 'Whisper' in 2021-22 to enable students to report more freely; This can be accessed through the "Never Acceptable" link on the school website.

Wellbeing Support and Early Help

Pastoral Team – Form Tutor, Year Leader and Pastoral Assistant 1:1 meetings and monitoring.

WARMS Team – Appointments for the Wellbeing And Resilience Mental Health Service (**WARMS**) is by Year Leader referral. Drop-in sessions are also available.

School Nurse and School Counsellor – Appointments by Year Leader referral and student request

Rev Greenland - offers chaplaincy services on a voluntary basis in school to both staff and students, to those of all faiths and none, to offer support both pastoral and spiritual. Meetings are available on Teams, talk on the phone or correspond by email; please contact Rev Greenland via hgreenland@cchsg.com

E-Safety - Who you can turn to:

All students receive e-Safety guidance both in lessons and assemblies; however, we strongly encourage parents to take an active role in monitoring their child's on-line and social media activity to ensure they are safe. You can find more helpful information on the e-safety section of the CCHSG website or alternatively access the websites below. If you have a specific e-safety concern regarding one of our students then please do not hesitate to contact the school safe-guarding lead, Mrs K Daniels, or a member of the pastoral team. There is a weekly e-safety update in the parent and student bulletin and there will be e-safety events taking place during the school year.

Examinations

If there are any circumstances you feel may affect your child's examination performance or access arrangement requests, please ensure that you have informed Mrs Pye our Examinations Manager. Mrs Pye can be contacted by telephone on 01206 576973 or via email at exams@cchsg.com. If a student is ill on the day of the examination Mrs Pye must be informed that day and a letter from the GP is required for the school to be able to apply for special considerations. Please see the examinations area of the school website for more information.

Year 11 PSHCE Curriculum

The aims of the PSHCE curriculum are:

- To equip young people with knowledge and skills that will enable them to make informed decisions about their wellbeing, health and relationships and to build their self-efficacy
- To develop young people's capacity to make sound decisions when facing risks
- To support young people to develop resilience, to know how and when to ask for help, and to know where to access support.

GCSE Grades (9-1) are in line with the reformed examination specifications for GCSE

The chart above shows the link between the reformed GCSE (9-1) grades and the previously used GCSE (A*-G) grades with which parents/carers may be more familiar.

Recording Progress in Year 11 2021-22

Students' attainment and progress will be measured using the GCSE Grades 9 to 1.

In Year 9 each student was issued with a School Target Measure (GCSE Grade) for each subject. GCSE Grades (9-1) are in line with the reformed examination specifications for GCSE and are generated from the FFT Aspire database. This database uses the school context and Key Stage 2 information to provide an indication of the GCSE Grade the student should achieve at the end of Year 11. We take these grades as a starting point, but also took into consideration progress in Years 7 and 8.

Progress Checks and School Reports issued during Year 11 will provide a Working at Measure (GCSE Grade) for each subject that will be generated as a result of the consideration of the classwork, homework, assessment tasks and in-school examinations carried out by the student. It suggests the **GCSE grade** the subject teacher considers the student **will achieve in their GCSE at the end of the GCSE course if they continue to work in the current manner**.

School Examination Results will provide the Progress Measure (GCSE Grade) the student achieved in the assessment set by the subject. All students in the year group studying a subject will sit the same assessment during the Year 11 Examinations later in the autumn term.

Attitude to Learning

After each progress check students will also be issued with an Attitude to Learning Measure (ATL) which indicates the current approach they are taking towards their studies. They will be issued with a measure between 1 and 4; the descriptors of which can be found below:

- 1 – Attitude to learning is outstanding
- 2 – Attitude to learning is good
- 3 – Attitude to learning requires improvement
- 4 – Attitude to learning is unsatisfactory

PRACTICAL STRESS BUSTERS FOR TEENAGERS

DIET	<p>Eat healthily – make sure you have a balanced diet. Remember your 5 a day (full of antioxidants which can help reduce stress-driven unstable free radicals). Complex carbohydrates sustain long term energy levels and brain power. Eat breakfast. If you eat late, then eat light – no heavy meals before bed. You get out of your body what you put into it – junk in/junk out!</p>
WATER	<p>Keep hydrated; drinking plenty of fluid keeps your digestion healthy and moving. Carry a small bottle of water with you and refill when empty.</p>
SLEEP	<p>Your body needs rest. Have a good bedtime routine:</p> <ul style="list-style-type: none"> • Avoid TV, games, Facebook, Instagram, phones, tablets etc., half an hour before bed as they are too stimulating. • TURN OFF PHONES – don't get distracted just before trying to get to sleep. • Read a book for 10 minutes or listen to quiet music. • Keep bedroom dark and quiet • Don't go to bed too late; you won't sleep if you are overtired.
EXERCISE	<p>Do what you enjoy – running, cycling, aerobics, football, walking, swimming, yoga, pilates, playing drums(!) – use physical exercise to work off pent up feelings of irritation, annoyance, anger, frustration, aggression, etc.</p>
BAD HABITS/PROPS	<p>Recognise when you are tempted to use bad coping strategies, such as controlling your eating; they are not answers for dealing with stress – they just cause more anxiety: Your body is your best friend, treat it well – treat it with respect.</p>
SHARE	<p>Talk. Talk to someone about your problems - don't bottle up your feelings.</p>
PRACTICAL	<p>Use small exercises to ease physical tension – for instance stretch your shoulders front and back to loosen tense neck muscles. Take time for yourself – reading, seeing friends, hobbies, etc. Watch a funny show or crack a joke with a friend and notice how a little laughter can improve your entire mood. Sit or lie quietly with eyes closed:</p> <ul style="list-style-type: none"> • Concentrate on your breathing • Breathe deeply but without force • Visualise yourself somewhere peaceful/safe/happy • Allow positive feelings to fill you from within • Use positive affirmation: 'I can' 'I am' • Open your eyes slowly, listening to external sounds, and get up gently. • YOU CAN USE THIS ANYWHERE, ANYTIME.

VALUE YOURSELF AND DON'T BE A VICTIM OF STRESS
