

Year 7 Homework Timetable

(2025-2026)

Staggered start:

Year 7 will have a staggered start to the full homework timetable. The following subjects can set homework on the weeks outlined but must only set on their allocated day.

Week beginning 1st September (Week A): English, Mathematics, Biology, Chemistry, Physics

Week beginning 8th September (Week B): English, Mathematics, Biology, Chemistry, Physics, History, Geography, Religious Education, French, German

Week beginning 15th September (Week A): English, Mathematics, Biology, Chemistry, Physics, History, Geography, Religious Education, Languages, Computing, CT

Week beginning 22nd September (Week B): Full homework timetable

Homework setting:

- You will not receive more than 3 pieces of homework to complete in a day.
- Each piece of homework should not take any longer than 20 minutes.
- This means that you should not be spending any longer than 1 hour on homework in a day
- Some subjects may choose to set extended projects over multiple homework slots however the time spent should not exceed the slots allocated to that subject.
- We recommend that you complete homework on the day that it is set or as soon as possible to support you managing your time effectively and to allow enough time to seek help from peers or teachers before it is due to be handed in.
- Sanctions for late or incomplete homework are at teacher discretion. Please seek our Behaviour, Sanctions and Rewards Policy for further guidance.

Subject homework setting:

English

- 2 reading and 2 writing across the Week A and Week B timetable.
- Students should read an Accelerated Reader approved book with the aim of achieving 20 points and over 80% average in all quizzes taken (more information will be given to students by the Librarians).

Mathematics

- 2 in Week A and 2 in Week B.

Languages

- 1 writing and 1 vocabulary across the Week A and Week B timetable for each language
