Year 7 PTFA Party and Parent Reception (October)

A chance for the Year 7s to let their hair down and have fun with their new friends! A separate information letter will be sent with details of the evening.

Maximize Your Potential (April)

Year 7 take part in a study skills seminar lead by the Maximize Group. They learn coping skills, revision techniques and practical tips they can apply immediately to their learning. This takes place ahead of the internal examinations in May.

Bushcraft Trip (22-24 May)

We hope all Year 7 will have the opportunity to go on 3-day (2 night) trip with the Bushcraft Company on 22 to 24 May 2024. This course offers students the chance to excel away from the conventional classroom setting, build important life skills and gets them back to basics and nature, their experiences will also enhance some of the curriculum work in subjects across the curriculum including Art, Biology, PE and Geography. Based in the Boughton Woods, the course is structured with activities that alternate between group workshops and critical activities, students are then able to put the skills they are taught into immediate use. They will work in small groups of between ten and fifteen, each of which will be assigned a specialist group leader, allowing every student the opportunity to really contribute to the collaborative effort required. The trip will be led by Miss Seager with other staff accompanying the students. Students will be under direct supervision of staff at all times during the trip. The cost of the 3-day experience will be approximately £200 including transport and meals. An information presentation on this event will follow. For more information on the Bushcraft Company see <u>www.thebushcraftcompany.com/home</u>

Programming Day

All Year 7 students take part in a co-curricular day in the summer term where the focus will be learning and developing text based programming skills using the Python programming language. They will lean how to create programs using data types: numbers, strings, Boolean logic, sequencing, variables, selection, loops and more.

Activities Day (July)

All Year 7 students take part in a co-curricular Themed Creative Arts and Enterprise Activities Day at CCHSG. They experience a unique event which aims to challenge students' thinking and logical reasoning, teamwork and communication skills as well as promote their interest in creative and performing arts. It is hoped that through participation in various workshops, students will be given the opportunity to learn through an exciting and positive experience which will aim to stimulate their imagination and higher order problem solving.

Healthy Living Lessons (Rotational)

Students in Year 7 and 8 receive 3 Healthy Living lessons where they learn the importance of eating well and how to prepare simple yet delicious meals such as a vegetable stir fry. Students and parents will be notified by email when the allocated session is coming up and students will be required to bring in the correct ingredients. Any concerns regarding allergies etc should be emailed in to office@cchsg.com requesting the message be passed to Mrs Webb.

Careers (delivered through PSHCE)

There is an extensive careers programme that spans the Y7-13 PSHCE curriculum as well as careers information being incorporated into subject lessons. Year 7 start their careers journey with a session lead by our independent careers advisor, will provide an overview of the opportunities that lie ahead - 14+, 16+, 18+ and Post Degree.

Students are also introduced to the world of employment to include key employability skills and building a career portfolio.

Students also receive careers information from guest speakers throughout the year

PSHCE

The PSHCE curriculum at Colchester County High School for Girls is designed to:

- equip students with knowledge and skills that will enable them to make informed decisions about their wellbeing, health and relationships and to build their self-efficacy
- develop student's capacity to make sound decisions when facing risks
- support students to develop resilience, to know how and when to ask for help, and to know where to access support.

Topics that are covered in Year 7 include:

- Research skills and online learning
- Bullying, peer pressure and cyber-bullying
- Family, friends and well-being
- Finance including how to budget and ethical shopping
- Relationship and Sex Education including FGM

If you would like to discuss the content of the PSHCE lessons, please contact your child's form tutor.

E-Safety - Who you can turn to:

All students receive e-safety guidance both in lessons and assemblies; however, we strongly encourage parents to take an active role in monitoring their child's online activity to ensure they are safe. These websites are useful for more information or to report any negative experiences online. We intend to run parent e-Safety sessions in the spring term.

E-safety advice is also given each week in the Parent Weekly Bulletin

Safeguarding at CCHSG

CCHSG believes in supporting all aspects of children and young people's development and learning, including keeping children safe. We understand that children and young people can and do experience social, personal and emotional barriers to their learning, over differing periods of time and at different stages of their development, which can have an effect on their academic learning. We recognise that education staff play a crucial role in helping to identify welfare concerns and indicators of possible abuse or neglect at an early stage.

Safeguarding depends on staff being made aware of issues by students. Form Tutors have the role of "First Responders" and work closely with the Pastoral Team to help identify issues and support students. Students are aware of the Pastoral Team and Safeguarding Team with posters around the school to help them identify those members of staff and how to contact them. The student planner also provides advice and gives details of support organisations and useful contacts; The Student Voice Team work with the Safeguarding Team to help ensure the content and advice is appropriate and updated annually.

We understand that some students may find reporting difficult, especially communicating worries and concerns to members of staff for a variety of reasons and as such CCHSG have introduced an online reporting system to enable students to report more freely; this can be accessed through the "Never Acceptable" link on the school website.

School Procedures

- Students in Years 7 11 should not arrive before 08.30. Students who arrive before 08.30
 may purchase breakfast "to go" in the Dining Hall from 08.00 or wait outside the school
 building. If students are unsupervised in teaching/form rooms they will be instructed to go
 outside.
- 2. School Reception is staffed from 08:00 until 16:00. This is the first point of contact for general school enquiries.
- 3. If students are late for morning (08:45) registration, they must sign in at Reception. Persistent lateness will result in school sanctions.
- 4. If students are absent the school attendance line (01206 576973) should be contacted by 08:45 by parents giving the student name, specific reason for absence and expected duration of absence. This should be followed up with a written note or School Gateway confirmation on their return.
- 5. If students need to leave the premises during the school day a note must be given, in advance, to the Form Tutor. Before leaving students must sign out at Reception.
- If students feel ill or have an accident during the day students should inform a member of staff immediately. A First Aider will then be contacted to deal with the situation and contact parents if necessary. Students must not contact parents directly themselves before going to Reception.
- 7. Students must leave the building by 16:00 at the end of the day. Students may only remain in school if they are in a supervised after school club or activity with a designated member of staff.
- 8. All students' belongings should be named. Valuable items should not be brought to school. Students who lose an item should retrace their steps, and then report the loss to Reception. If for any reason they have to bring a large sum of money to school (this should be pre-arragned), they must give it to Reception for safe keeping.
- 9. We operate a cashless catering system in the Dining Hall. Parents can top up their child's credit via Parent Pay and there is a cash payment machine for student use on the ground floor corridor. All trips and visit payments should be made via Parent Pay and accompanied by a signed written consent slip.
- 10. For safety reasons no student may bring an aerosol to school. Cigarettes and associated items, e-cigarettes, alcohol, illegal substances, sharp items and offensive weapons are strictly forbidden.
- 11. Mobile phones. Many students have long journeys to school that are made safer by the possession of a mobile phone. For this reason only, mobile phones may be brought to school. They must be switched off and out of sight during the school day. ie in a locked locker. If phones are used in school they will be confiscated until the end of the day when they may be collected from the School Reception. Parents will be contacted if phones have to be confiscated for a third time. Additional school sanctions may also be applied for example handing in the phone each day to Reception. Mobile phones are brought into school at students' own risk.
- 12. In an emergency, a brief telephone call may be made from Reception. All emergency calls from parents to a student during the school day must go via Reception.

School Uniform and Equipment

School Uniform

You have already received details of our School Uniform in the information you received when you were notified of your place. It is important for students to wear their uniform in the correct manner and to keep it looking smart, even when you are on your way to or from school. As a member of Colchester County High School for Girls your uniform will say a great deal about you to visitors, members of the public and other members of the school and you should be proud to wear it. You will need to wear your blazer at all times and ask permission in class to remove it.

School Uniform Year 7 September 2023

- 1. BLAZER is a navy blue jacket with school logo on pocket, only available from Coes.
- 2. **BLOUSES** are pale blue and of cotton or polyester/cotton; they are plain, V-necked, revere collar style with long or short sleeves. These are available **from Coes** or they may be purchased from any appropriate retailer.
- 3. **TROUSERS are plain dark navy and of classic, straight leg style**. These are available **from Coes** or they may be purchased from any retailer, but must be of the appropriate style. Fashion styles, for example, low-waisted trousers or tapered legs, are not acceptable.
- 4. **SKIRTS** are kilt-style, navy, grey and white tartan and must be of a length that is worn **on the knee (ie to at least the middle of the knee)**. The skirt is only available **from Coes.**
- 5. **CARDIGAN** is navy blue with pale blue stripes at the cuff and only available from **Coes**, however a plain navy V necked cardigan with plain navy buttons may be purchased from other retailers. The cardigan is an optional item of uniform.
- SHOES must be leather or leather look, flat heeled in plain black. Fabric or canvas shoes, converse shoes, trainers, sling-back and backless/toeless shoes are not acceptable. Boots or ankle boots are not to be worn in school. If boots or trainers are worn on the way to school, a change of shoes must be brought to wear in school.
- TIGHTS should be plain navy, black or natural not patterned. Plain white, navy or black ANKLE SOCKS only may be worn. Bare legs without socks or knee high/over the knee socks are not acceptable.
- 8. **COATS** and scarves may **not** be worn in school. A **CCHSG School Scarf** is available from **Coes** as an optional item of school uniform. Hoodies are not acceptable.
- 9. OVERALLS are worn for Science and Art. They are dark blue and long-sleeved and must be embroidered with your daughter's first name (approximately 5-10cm high) on the left front and left back shoulder. This must be purchased from Coes. From Year 10 a long-sleeved white overall may be worn for Science, which may be purchased from a range of suppliers.
- 10. **HAIR** of shoulder length or longer should be tied back for safety in all practical subjects with navy, black or natural hair colour bands or slides. Hair which goes beyond natural colour tones in natural combinations or is extreme in style is not acceptable. Headcoverings worn for religious reasons e.g. headscarf, must be plain navy or black and of a short style.
- 11. **JEWELLERY** no jewellery or badges (except badges connected with school) may be worn with school uniform. Only small gold or silver plain studs may be worn in pierced ears; only

one ear stud may be worn in each earlobe. No other piercings including ear stretchers are acceptable. A watch may be worn; iwatches or similar are not permitted. Jewellery which is not permitted must be removed and will be confiscated.

- 12. Make-up, nail varnish or false nails **must not** be worn with school uniform.
- 13. Water-proof jacket and trousers and a base layer (vest) are recommended as students will be spending time outside during break and lunch time. A foldable waterproof mat to sit on may also be useful.
- 14. **SCHOOL BAG** should be of a style suitable for carrying to, from and around the school. Bags with wheels or a trolley-type attachment are not accetable for health and safety reasons.

A navy jacket available from Coes

Blue school blouse with revere (v necked) collar

Kilt style skirt worn to at least the middle of the knee from Coes.

Navy blue trousers of a classic straight leg style *(if purchasing from a store other than Coes please do not remove labels without checking with the school that they are of the appropriate style)*

Kit for Physical Education

Advice on specific activities and kit requirements will be given by your PE teachers.

Basic PE Kit

- Navy blue shorts embroidered with the school logo only available from Coes
- Sky blue polo shirt only available from Coes
- Navy long sleeved top with the school logo only available from Coes
- Plain navy tracksuit trousers available from Coes or other retailers. Please check with PE Department regarding acceptable styles.
- White short socks
- Mainly white trainers (coloured stripe or logo is acceptable) for indoor PE and on netball courts.
- A white, navy or black base layer may be worn under PE kit in colder weather (white only for school team matches)
- PE bags should be of a style suitable for carrying to, from and around the school. A draw string PE bag will fit into a locker more easily.

Items required for Specific PE Activities

Netball/Badminton/Basketball/Rounders

An optional navy skort with the school logo is available from Coes (shorts as above are acceptable)

Cross Country/Football/Rugby

Long navy blue football socks with school logo only available from Coes Outdoor trainers (mainly white) or astro boots for outdoor PE activities, shin pads for football.

• Swimming (Summer term unless attending extra-curricular swimming activities)

A one piece plain black or navy swimsuit (not halter-neck, with white strip is acceptable), swimming cap, towel and flip-flops. (Advised not to purchase until swimming is on the PE Timetable for Year 7).

It is recommended that the basic kit and autumn term items are purchased initially.

ALL CLOTHING & PROPERTY MUST BE CLEARLY NAMED INCLUDING SOCKS & TRAINERS

All property is brought into the school at the owners risk and the school cannot be held responsible for theft, loss or damage. Expensive electronic items should not be brought into school. Students should use their locker and padlock for storage of possessions including their mobile phone during the day.

Parents should be aware that the School's contents and insurance cover does not extend to students' property. Parents should include their child's belongings within their domestic insurance policies if required. **Marking of clothes and other property with the owner's name is required.**

Stationary Equipment

Students are requested to bring with them to every lesson:

- A blue/black ball point or fountain pen
- A green pen for self assessment
- A purple pen for progress
- A pencil, ruler, rubber and sharpener
- A glue stick
- A whiteboard marker
- A mathematical calculator

Attendance and Punctuality

Expectations

- It is the responsibility of everyone to ensure good attendance.
- The school expects students to attend every day that the school is open.
- Attendance for most students is between 98% -100%
- We monitor and review the attendance of all students constantly and will involve parents when attendance falls below expectations.

Supporting Good Attendance

- **Phone** us as soon as possible to tell us why your daughter is absent, and when you expect her to return.
- Only grant days at home for **genuine** illness (please see the guide overleaf)
- If you notice a problem, contact us so that we can work together to resolve the issue. Pursuing the reason for non-attendance is important.
- Help your daughter to catch up with missed work

Please note that holidays taken in term time cannot be authorised.

Punctuality

Daily lateness adds up:

- 5 minutes late
 3 days lost per school year
- 10 minutes late 6.5 days lost per school year
- 15 minutes late 10 days lost per school year
- 20 minutes late 13 days lost per school year
- ▶ 30 minutes late 19 days lost per school year

Good punctuality is as important as good attendance.

A student who is late disrupts the tutor group at an important part of the day; morning tutor time is filled with planned activities. Students might also miss any announcements which are important.

What to do

NHS Advice on childhood illnesses

Can be catching; some restrictions for school attendance

Don't go to school; see the GP

What it's called	What it's like	Going to school	Getting treatment	More advice
Chicken Pox	Rash begins as small, red, flat spots; develop into itchy fluid-filled blisters		Pharmacy	Back to school 5 days after onset of rash
Common Cold			Pharmacy	Ensure good hand hygiene
Conjunctivitis	Teary, red, itchy, painful eye(s)		Pharmacy	Try not to touch eye to avoid spreading
Flu	Fever, cough, sneezing, runny nose, headache, body aches & pain, exhaustion, sore throat		Pharmacy	Ensure good hand hygiene
German Measles	Fever, tiredness. Raised, red, rash that starts on the face and spreads downwards		GP	Back to school 6 days from onset of rash
Glandular Fever	High temperature, sore throat; usually more painful than any before, swollen glands		GP	Child needs to be able to concentrate
Hand, Foot & Mouth Disease	Fever, sore throat, headache, small painful blisters inside the mouth on the tongue and gums (may appear on hands and feet)		GP	Only need to stay off school if feeling too ill
Head Lice	Itchy scalp (may be worse at night) Pharmacy		No need to be off school, but please tell the school	
Impetigo	Clusters of red bumps or blisters surrounded by area of redness.		GP	Back to school when lesions crust or 48 hours after start of antibiotics
Measles	Fever, cough, runny nose and watery, inflamed eyes. Small red spots with white or bluish white centres in the mouth. Red, blotchy rash.		GP	Back to school 4 days from onset of rash.
Ringworm	Red ring-shaped rash; may be itchy. May be dry and scaly or wet and crusty.		GP	Back to school once treatment started
Scabies	Intense itching; pimple-like rash – all over body or, more commonly, between the fingers, wrists, elbows and arms.		GP	Back to school after first treatment
Shingles	Pain, itching or tingling along the affected nerve pathway. Blister-type rash		GP	Only stay off school if rash is weeping and cannot be covered
Sickness Bug/Diarrhoea	Stomach cramps, nausea, vomiting and diarrhoea.		Pharmacy	See GP if symptoms persist after 48 hours.
Threadworms	Intense itchiness around anus.		Pharmacy	Ensure good hand hygiene.
Tonsillitis	Intense sore throat		Pharmacy	See GP if temperature lasts more than 48 hours or cannot swallow.
Whooping Cough	Violent cough, over and over, until child inhales with 'whooping' sound to get air into lungs.		GP	Back to school after 5 days of antibiotics or 21 days from onset of illness.

See <u>www.patient.co.uk</u> for further information on each of these conditions.

This information is a guide and has been checked by health professionals, however, if you are unsure about your child's wellbeing we recommend you contact your Pharmacy or GP.

Medication

Students are not permitted to carry **ANY** medication on their person (unless emergency medication such as an EpiPen or asthma inhaler has been previously arranged with the Year Leader). In order to bring in medication your parent needs to complete a **Medical Consent Form**. The medication can then be brought into school and kept in the office where you will be able to take it under supervision. This includes medication such as paracetamol and ibuprofen.

Please keep the school informed of any medical conditions that may impact a student's ability to access the curriculum (e.g. broken fingers, using of crutches, asthma).

Sickness

We ask that students who have been physically sick at school are collected within the hour to reduce the spread of infection. If your residence is further than one hour by car, we suggest someone closer to the school is nominated to collect the student.

The school will not routinely allow students to travel home via public transport/school bus if they are ill, therefore parents/carers will need to make arrangements for their child to be collected.

It is also important that students who have been physically sick do not return to school until at least 24 hours since the last bout of vomiting has passed.

Recording Progress in Year 7 2023-24

Your child's attainment and progress in her subjects will be measured using **Steps** which are based on the Reformed Curriculum Assessment requirements linking to GCSE grades (9-1). Most students will enter on Step 4 and progress to Step 5/6 by the end of Year 8.

The Steps are sub-divided as follows:

- .9 is working at the top of the step
- .6 is working in the middle of the step
- .3 is working at the bottom of the step

Subject	Progress Measure	Length of Key Stage 3
Art	Steps	2
Biology	Steps	2
Chemistry	Steps	2
Computing	Steps	2
Creative Critical	Pass/ Merit/	
Thinking	Distinction	
Drama	Steps	1 (not Year 8)
English	Steps	2
Reading		
English Writing	Steps	2
French	Steps	2
Geography	Steps	2
German	Steps	2
History	Steps	2
Latin	Below/ At /Above	1 (not Year 7)
Mathematics	Steps	2
Music	Steps	2
PE	Steps	2
Physics	Steps	2
RE	Steps	2

In the autumn term each student will be issued with a School Target Measure for each subject. The School Target Measure for each subject is generated for each student using Key Stage 2 data, CAT test results, Fischer Family Trust Aspire estimates from KS2 and teacher assessment.

The School Target Measure provides an indication of the most likely Level or Step the student should achieve by the end of the current school year in that subject.

There is an expectation that students will make a minimum of two steps of progress from entry at the end of KS2 to the end of KS3. A progress pathway is generated with intermediate targets for the end of each academic year.

N.B. Creative and Critical Thinking is a non-National Curriculum subject and uses a Progress Measure of Pass/ Merit/ Distinction. Latin, started in Year 8, uses a Progress Measure of Below/At/Above. This ensures students reach the appropriate skills and language development for each year group. Progress Checks will provide three pieces of key information to both the parent and the student:

- a Working at Measure (Step or Grade) (WAS)
- an Attitude to Learning grade (AtL)
- a school Target Measure (Step or Grade)

Progress Check 1 will contain only AtL for Year 7.

The Attitude to Learning grade will appear on the progress check for all year groups:

The Attitude to Learning descriptors are as follows:

Outstanding 1	The student shows very high levels of engagement, courtesy, collaboration and cooperation in all lessons. An excellent, enthusiastic attitude to learning is shown through an exemplary behaviour for learning; all classwork and homework are completed to the highest standard, all deadlines are met and the correct equipment and books/folders are always brought to lessons.
<u>Good</u> 2	The student is typically considerate, respectful and courteous to staff and other students. A good and positive attitude to learning is shown through good behaviour for learning; classwork and homework are completed to a good standard, most deadlines are meet and the correct equipment and books/folders brought to lessons.
Requires improvement 3	The student can respond promptly to teachers' direction and work co-operatively with others. Any issues with behaviour for learning are low level; classwork and/or homework may not always be completed to the students' level of ability, deadlines may be missed and the correct equipment and books/folders sometimes not brought to lessons.
<u>Poor</u> 4	The student can lack engagement and their lack of self-discipline can, more than occasionally, reduce learning. Any issues with behaviour for learning are more noticeable; classwork and/or homework is often incomplete, deadlines are frequently missed and the correct equipment and books/folders not brought to lessons.

The End of Year Report at the end of the year will contain a WAS, AtL, Target Step and specific targets for each subject. These targets aim to allow students to focus on particular areas in order to improve.

The End of Year Reports also contain information from the Form Tutor regarding attendance, uniform etc along with a Form Tutor comment.

Accessing work via SharePoint from home:

In order to access work via SharePoint and Teams please follow the relevant links on the school's website: <u>www.cchsg.com</u>

Year 7 Homework Timetable (2023-2024)

Staggered start:

Year 7 will have a staggered start to the full homework timetable. The following subjects can set homework on the weeks outlined but must only set on their allocated day.

Week beginning 4th September (Week A): English, Mathematics, Biology, Chemistry, Physics

Week beginning 11th September (Week B): English, Mathematics, Biology, Chemistry, Physics, History, Geography, Religious Education, French, German

Week beginning 18th September (Week A): English, Mathematics, Biology, Chemistry, Physics, History, Geography, Religious Education, Languages , Computing, CT

Week beginning 26th September (Week B): Full homework timetable

Homework setting:

- You will not receive more than 3 pieces of homework to complete in a day.
- Each piece of homework should not take any longer than 20 minutes.
- You should not be spending any longer than 1 hour on homework in a day
- Some subjects may choose to set extended projects over multiple homework slots however the time spent should not exceed the slots allocated to that subject.
- We recommend that you complete homework on the day that it is set or as soon as possible to support you managing your time effectively and to allow enough time to seek help from peers or teachers before it is due to be handed in.
- Sanctions for late or incomplete homework are at teacher discretion. Please seek our Behaviour, Sanctions and Rewards Policy for further guidance.

Subject homework setting:

English

- 2 reading and 2 writing across the Week A and Week B timetable.
- Students should read an Accelerated Reader approved book with the aim of achieving 20 points and over 80% average in all quizzes taken (more information will be given to students by the Librarians).

Mathematics

• 2 in Week A and 2 in Week B.

French

• 1 writing and 1 vocabulary across the Week A and Week B timetable.
