A Message from the Wellbeing Ambassadors

Parents, have you noticed any changes in your child?

It is really important that we can talk about how we are feeling. Our well-being ambassador team are on hand to help, and we are keen to hear from you. If you feel that your child may need some additional support with their general wellbeing, please encourage them to use our Wellbeing team or to talk to the school pastoral team. No matter how small the problem may be, sometimes it becomes all too easy to deny a problem - a small problem not spoken about, can quickly become a more consuming one!

We hope that through connecting with parents and carers of students through the bulletin and PTFA, we will be able to pass on advice to you on how, what, where and who to reach out to when in need, and to create understanding that it is totally normal and okay to feel not okay.

We would love to support the students in school and are highly determined and keen to try and fulfil any ideas and requests you have, to continue to make school life a positive environment for everyone.

Our teams' names and faces can be found on posters all around the school, we hope that anyone in need will approach one of us to help!

E-Safety Information – Safer Internet Day 2022 - Tuesday 8 February

- **Welcome Party for Year 7 Students and Parents:** Friday 25 March, 19.00 – 21.00 (Doors open from 18.30)
- **PTFA Meeting:** Monday 28 March, 19.30 – 21.00

2. Spring Term Nearly New Uniform and Books Sale (Saturday 19 March 09.00 – 13.00)

The next Nearly New Uniform Sale open to all Year Groups will take place on Saturday 19 March 2022 (09.00 - 13.00) in the Main Hall. This sale will not be by appointment, but we do anticipate a large attendance, so we would appreciate your support and patience as we get you through the sale room. Please try to avoid bringing siblings, unless they are currently at the school and need to get uniform.

Volunteer opportunities are now open for the above sale. To sign up, please click on the following web link (or copy it into your web browser if clicking doesn't work) to go to the signup sheet. Thank you for volunteering!

<https://volunteersignup.org/WB9LM>

Please note that second hand uniform sales cannot take place outside published dates.

3. Nearly New Uniform Shop – Volunteers needed

At CCHSG, we have a team of very dedicated volunteers who continually look at ways to generate funds in aid of the school. Our Nearly New Uniform Shop has been a steady source of income bringing in an average of £7,000 annually. There is however, a need for more volunteers to come forward to help with washing, ironing and mending the items donated before they go on sale. Ideally, we would like to establish a team of at least 6 people, who can be part of a rota, collecting items from the designated wheelie bins. With this number of volunteers the commitment would be minimal, with each volunteer only needing to collect items once every 6 weeks. Most of the volunteers currently working on this scheme have children who will be leaving CCHSG soon so we would like to encourage parent volunteers from Years 7 and 8 to come forward so that we can continue to provide this useful service to our community. Please email cchsgptfa@gmail.com to volunteer.

4. Welcome Party for Year 7 Students and Parents: Friday 25 March, 19.00-21.00

(Doors open from 18.30).

We are pleased to invite students and parents of current Year 7 to this rescheduled **Welcome Party**. Further details will be sent to parents next week.

County Lines: What you need to know

Children of all ages and backgrounds are at risk of being exploited by criminal gangs who'll use them to transport drugs and money around the country. This is 'county lines' in a nutshell. Despite the coronavirus pandemic, gangs have continued to exploit children, so it's important you know what it is and what signs to look out for.

What is county lines?

- A child is 'groomed' by a criminal gang, then exploited to transport drugs and money from one area (county) to another – usually from an urban location to a rural or coastal one. Grooming can happen in person, or online on social media apps like Snapchat
- The child may be trafficked to the gang's 'trap houses' or 'bandos' miles away from home, to find 'customers', deal with rival gangs and sell drugs
- To the gang, the child is an expendable commodity. They're likely to face violence and sexual exploitation
- The 'line' refers to the phone line that the gang uses for selling drugs

Should I be worried?

Hopefully not. However, **any child is vulnerable to exploitation.**

Criminal gangs are known to target:

- Children with vulnerabilities, such as poverty, family breakdown, exclusion from school – because they're susceptible to manipulation and coercion
- Children from stable or affluent families – because they're less likely to be known to the police and may blend in better in the town the gang sends them to
- Girls and young children as well as boys and teenagers – children as young as 7 are being groomed by gangs, and girls are often groomed into relationships with gang members or used to transport drugs as they're less likely to be stopped by the police

What are the signs I should be looking out for?

If your child is affected by county lines exploitation, there may be some signs. Here are some **key indicators** that you should look out for. Is your child:

Returning home late, staying out all night or going missing?	Receiving unexplained money, phone(s), clothes or jewellery?
Being found in areas away from home?	Increasingly disruptive or aggressive?
Increasing their drug use, or being found to have large amounts of drugs on them?	Using sexual, drug-related or violent language you wouldn't expect them to know?
Being secretive about who they are talking to and where they are going?	Coming home with injuries or looking particularly dishevelled?
Having unexplained absences from school or college?	Having hotel cards or keys to unknown places?

Answering yes to any of these questions does not mean your child is being exploited through county lines. However, you should talk to them about any one of these signs.

What should I do if I suspect my child is being exploited?

Try to stay calm and seek help straight away - there are organisations that can help you. You could do any of the following depending on your circumstances, **but you must tell someone:**

- Report your concerns to children's social care <https://www.gov.uk/report-child-abuse-to-localcouncil>. A social worker will be able to listen to your concerns and help you to protect your child
- Contact our school. Ask to speak to the designated safeguarding lead and explain your concerns to them. They will be able to advise you where to go next
- Contact your local police station or call 101. If your child is missing, remember you don't have to wait 24 hours before making a report
- Contact organisations such as:
 - Crimestoppers 0800 555 111
 - The NSPCC 0808 800 5000
 - Family Lives 0808 800 2222

If you believe your child is in immediate danger, or a threat is made against you or another family member, **call 999 immediately**

ONE OF US IS LYING

The CCHSG Book Of The Month February
by Karen M. McManus

Five students go to detention. Only four leave alive. Yale hopeful Bronwyn has never publicly broken a rule. Sports star Cooper only knows what he's doing in the baseball diamond. Bad body Nate is one misstep away from a life of crime. Prom queen Addy is holding together the cracks in her perfect life. And outsider Simon, creator of the notorious gossip app at Bayview High, won't ever talk about any of them again.

'Twisty plotting, breakneck pacing and intriguing characterisation add up to an exciting single-sitting thrillerish treat.' - The Guardian

'Tightly plotted and brilliantly written, with sharp, believable characters, this whodunit is utterly irresistible.' - Heat

In addition to this, you are encouraged to write a review and email it to Mrs Croxson ccroxson@cchsg.com by the last Friday of each month .
