

COLCHESTER COUNTY HIGH SCHOOL FOR GIRLS
58A CEIAG PROVIDER ACCESS POLICY STATEMENT

COMMITTEE	Curriculum & Student Matters
SLT RESPONSIBLE	Mrs Sinéad Hughes Associate Vice Principal
REVIEW	Annually or following changes to Statutory Guidance
POLICY REVIEWED	February 2024
REVIEW DUE	July 2024
APPROVED BY THE GOVERNING BODY	March 2024

A provider wishing to request access should contact Mrs Sinéad Hughes (Careers Leader)

Telephone: 01206 576973; Email: office@cchsg.com for the attention of Mrs Sinéad Hughes

Introduction and Aims

This policy statement sets out the school's arrangements for managing the access of providers to students at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

A high quality and rigours careers guidance programme is important for our students' futures and aims to provide them with:

- Building skills ready for the work place
- Provide and support with work experience opportunities
- Develop students awareness of the variety of education, training and career possibilities available to them
- Support students with their next steps
- Continue to promote a high aspirational culture for all

Statutory requirements

This policy is based on the Department for Education's (DfE's) statutory [Careers guidance and access for education and training providers January 2023](#).

This guidance refers to:

- The Education Act 1997
- The Education and Skills Act 2008
- The School Information (*England) Regulations 2008

This policy is also in line with the more recent [Skills and Post-16 Act 2022](#), which came into force on **1 January 2023**. It explains that our school must provide a minimum of **6 encounters** with technical education or training providers to all students in years 8 to 13. For more detail on these encounters, see our provider access policy statement, which you can find on our website.

This policy is also in line with the Education (Careers Guidance in Schools) Act 2022. This came into force on 1 September 2022, and amended the existing duty in The Education Act 1997, to include ensuring students in Year 7 have access to independent careers guidance.

The above guidance requires that schools publish information about their careers programme on their website. This policy includes this information and shows how our school complies with this requirement. This policy should be read in conjunction with our CEIAG policy statement and can be found on our website.

We also act in line with our statutory duty under the 'Baker Clause'*, to be impartial and not show bias towards any route, be that academic or technical.

*The Baker clause, which came into effect on 2 January 2018, stipulates that schools must ensure that a "range of education and training providers" have access to pupils from year 8 to year 13, so that they can be informed what technical education and apprenticeship options are available (UK Government 2018). In addition, schools are expected to produce a policy document for publication on their website, stating their arrangements to allow access to students.

"This will help our young people make better-informed and more confident decisions at important transition points" Lord Baker

[\(the-baker-clause-one-year-on-january19.pdf \(ippr.org\)\)](#)

Student entitlement

Students in years 8-13 are entitled:

- To find out about traditional academic qualifications, technical (inc Higher Technical, HTQs) education qualifications, apprenticeships, supported internships and school leaver schemes opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical (inc HTQs) education, apprenticeships, supported internships and school leaver schemes opportunities – through options evenings, assemblies and group discussions and taster events.
- To experience six encounters with providers from Year 8 through to Year 13 across different professions.
- To understand how to make applications for the full range of options available.

Management of provider access requests

Procedure

A provider wishing to request access should contact the named person detailed on the front of the policy via Telephone: 01206 576973 or email: office@cchsg.com

Opportunities for access

A number of events, integrated into the school careers programme, (PSHCE, Assemblies, Drop Down Days, Careers Fair extracurricular and super curricular societies) will offer providers an opportunity to come into school to speak to students.

Providers should contact the school to identify and arrange suitable opportunities for specific year groups, that align with DfE Careers Guidance Careers Guidance for education and training providers communicating information to students, via a variety of mediums; PSHCE, Assemblies, Drop Down Days, Careers Fair as well as extracurricular and super curricular societies. The school policy on safeguarding available on www.cchsg.com sets out the school's approach to allowing providers into school as visitors to talk to our students.

Premises and facilities

The provider may contact Sinéad Hughes (Telephone: 01206 576973; Email: office@cchsg.com) to arrange a visit and clarify requirements. The school will make the main hall or classrooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available IT and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit. On site support will be available for the duration of the visit.

Providers are welcome to leave a copy of their prospectus or other relevant course literature and web links in the Library, which will be advertised by the school librarian. The Library with Careers Information is available to all students at lunch and break times.

The school is pleased to share examples of providers, both live and online who have visited the school.
